

We will lead your school to exceptional results in Art & Design.

OUTSTANDING OUTCOMES. LASTING IMPACT.

Who We Are

Exceptional results in Art & Design begin with the right expertise.

- SRCC partners with schools worldwide to raise attainment and transform Art & Design provision.
- Founded by Suzanne Rodgers, leader in Art & Design education and consultant with over 25 years' experience, we bring strategic clarity, qualification expertise, and measurable impact to every partnership.
- Suzanne holds an MA from UCL IOE, is trained in senior leadership, published in international research, and has supported schools across the UK and globally to raise attainment and build provision aligned with Ofsted and ISI frameworks.

Why Choose SRCC

- Strategic leadership that raises attainment and strengthens curriculum vision.
- Deep expertise across GCSE, A-Level, IGCSE, and IB Visual Arts, securing consistently high outcomes.
- Research-informed, practice-led approaches that enhance teaching and accelerate learning.
- Responsive, bespoke consultancy shaped by your school's context, values, and creative ambition.
- Teacher development that builds confidence and drives innovation in the classroom.
